KORUS FTA implemented March 15, 2012

Other than the chilled items under the safeguard, most duties will be eliminated by January 1, 2014, regardless of the date of implementation--except frozen pork "other" which will be phased to zero by 2016.

The safeguard will be in place for 10 years, beginning during the year of implementation.

Table compiled by USMEF using draft text of the KORUS agreement available at www.ustr.gov.
