Sector Definitions and Notes:

Packing and Processing; Purveying and Trading:

Packing, processing, purveying and trading (including jobbing, retailing and wholesaling) companies.

(1) Subsidiary Memberships are available to subsidiaries of packing/processing/purveying/trading Member companies. In addition to regular USMEF Member services, a Subsidiary Membership entitles the subsidiary company to its own listings in the USMEF Membership Directory, Supplier Search Database and supplier lists made available to international buyers. A Subsidiary Membership also entitles the subsidiary company to one director and one vote on the USMEF Board of Directors.

Beef/Veal, Pork, Lamb Producing and Feeding (Livestock); Feedgrains Producing; Oilseed Producing:

National and state organizations for beef/veal producing and feeding, pork producing and feeding, lamb producing and feeding, feedgrains producing and oilseed producing.

Farm Organizations:

Such as American Farm Bureau Federation, state farm bureaus, or other farm organizations.
Each farm organization will be responsible for determining the number of members actively participating in agriculture and dues will be based on this number.

(2) Up to four state organizations may share one USMEF Membership (under one name of record). The sum of the states' memberships will determine the USMEF dues level which applies. The states must designate one state as the primary contact for correspondence and information.

Supply & Service Organizations / Agribusiness:

Such as agricultural supply/service companies/organizations, meat processing supply/service companies/organizations, and state departments of agriculture.

(3) BOD Directors/Votes:

An organization qualifies for membership by payment of their full dues per the Investment Schedule during the past 12 months. Each Member, except new Members as defined below, shall be entitled to one director and one vote for each full dues increment of funds contributed to USMEF during the past 12 months. New Members, defined as Members belonging to USMEF for less than one year, shall be entitled to one director and one vote for the amount of the prorated dues contributed to USMEF during the past 12 months. New Members shall also be entitled to one director and one vote for each full dues increment of funds, above the amount of the prorated dues, contributed to USMEF during the past 12 months. "Funds contributed" is defined as funds for programs, implementation, dues and contributions. The “past 12 months” is defined as the 12-month period ending 45 days prior to a vote.
